Application Guidelines

The objective of this application is to determine whether Cal Farley's Boys Ranch Alumni Association can and should assist the applicant in meeting financial needs. Grants will be made according to the Crisis Support Policies of the Association.

The limitation of benevolence funds may require that the Crisis Support Committee reject certain applicants in the request for a grant. This application will serve to assist the Crisis Support Committee in making decisions to award grants. Grants are paid directly to the creditors or vendors; generally, not directly to the applicants.

In distribution of funds, no discrimination shall be made on account of the age, sex, color, religious affiliation, disability or national origin of the individuals or programs to be benefited thereby.

The grant applicant shall fill out this application completely and accurately. Contact information for employers and creditor institution is important in verifying application information. The Crisis Support Committee is obligated to confirm information supplied on this application. Inaccurate or incomplete information will affect the decision of the Crisis Support Committee in awarding grants.

The application process includes an interview with the Crisis Support Committee. The applicant will be contacted to set up the interview, which may be done via conference call, and should include at least three committee members.

All information supplied on this application is available exclusively to the Crisis Support Committee. Release of this information requires the written consent of the applicant.

As a basic principle, the Crisis Support Committee will not grant any individual applicant more than one half of the amount available in the Crisis Support fund or account. This will insure that something is available for the next applicant.

The Crisis Support Committee will award grants based on (1) availability of funds; (2) financial need of applicant; (3) financial responsibility of applicant (4) value of grant in meeting applicant's real needs; (5) interview assessment, and (6) validation of references.

The Committee may seek to assist the applicant in developing a personal budget, including an assessment of financial position and steps to get out of debt. Before granting any additional requests, the Committee shall provide this assistance.

See the Crisis Support Policy for CFBRAA policies relative to awarding grants.
