

Cal & Mimi Farley provided a home to boys and girls who needed one. We, who did not have family support, found it at BR. As we have been blessed, we seek to be a blessing. We are carrying on the work Cal Farley's began in us.

When we left BR we did not suddenly get a family. What we have is each other. There are over 8,000 of us now, with our children and grandchildren.

Our family support is the Association of former "Ranchers". As an Association we seek to be the family to one another that Cal Farley's has been to us.
