

CAL FARLEY'S BOYS RANCH ALUMNI ASSOCIATION 2017 ANNUAL REPORT

"CARRYING ON HIS WORK"

CAL FARLEY'S BOYS RANCH ALUMNI ASSOCIATION 2017 ANNUAL REPORT

"IT'S WHERE WE'RE GOING THAT COUNTS!"

The mission of CFBRAA is fourfold.

1. **We seek to build and strengthen family ties.** Inasmuch as most who have resided at Boys Ranch and Girlstown had very weak family support systems, if any, this Association seeks to build that family support system. This is largely done by promoting family reunions or "gatherings". The biggest of these is the Annual Reunion in Amarillo. Additional gatherings were held across the country in 2016-17. These included gatherings in Maryland, Dallas, Memphis, Florida, Houston, San Antonio, Sacramento, Ruidoso, Lubbock, Oklahoma City, Phoenix, Seattle and Las Angeles.
2. **We seek to provide scholarships for alumni family members.** In the last five years the Association has provided 50 scholarships for over \$72,000. We currently have eight students receiving scholarships.
3. **We seek to assist alumni families in times of crisis.** The special needs support this Association has provided is perhaps our most vital mission. Proceeds from the Silent Auction go to fund special needs support. The Association has helped 123 families with over \$95,000 for support in times of crisis
4. **We seek to promote and support Cal Farley's.** We are all debtors to Cal Farley's, and for most of us, it is our childhood home. The Association has begun to take seriously our charter objective of promoting Cal Farley's by putting our home in our budget and actively working with the Ranch in their deliberate efforts to assist us, alumni. We have provided the washers and dryers for the Alumni Support Center. Our budget this year includes \$4,000 to provide for maintenance of vehicles the Ranch provides for alumni in the Alumni Support Center to get to school and jobs. Over the past three years we have contributed over \$14,000 to Cal Farley's in their support of alumni. We have helped build a Veterans Memorial, contributed to furnishing the new

Waldrip Home, and helped with crisis support through Cal Farley's. While we have contributed over \$40K to Cal Farley's, Cal Farley's has expressed their strong support of the work we are doing by contributing \$100,000 to the Alumni Association.

Significant Steps taken in 2012-17:

- 1. Expanded Local Gatherings.** In the past year the Association held eight regional gatherings across the country, including first time gatherings in Phoenix and Seattle. Nearly 130 alumni met in these gatherings. The largest regional gathering has been Dallas for the past several years. In addition to the current regional gatherings, this next year the Association will host a gathering in Maryland.
- 2. Partnership with Cal Farley's in erecting a memorial honoring former residents of Boys Ranch and Girlstown who gave their lives in service to their country.**
The Association contributed nearly \$20,000 and include 55 veterans on the wall.
- 3. Legacy All Star Program.** This is the sixth year to recognize Legacy Partners. Currently 96 alumni who have signed up to participate in the Legacy Partners Program, which includes 20 given in "Honor of" or "Memory of". Through this year we have recognized 72 who have already become Star Legacy Partners including a 7 Silver, a 9 Gold, 2 Platinum, 1 Emerald and a 2 Diamond Partners. The Legacy Partners program seeks to fund the Alumni Association Foundation to endow scholarships and essential operating costs of the Association. The goal is to raise one million dollars for endowment. The foundation currently has over one hundred and twenty thousand dollars nearly \$680K.
- 4. Distinguished Staff.** This year we recognize the sixth Distinguished Staff of Cal Farley's. Guidelines were adopted for honoring staff from Boys Ranch or Girlstown who have been instrumental in changing the lives of those of us who have called Cal Farley's home. The first honorees to be recognized at the 2012 Reunion were unanimously approved before the program was even approved. Sherm and Genie Harriman will be the First Distinguished Staff recognized by CFBRAA.
- 5. Scholarship Fundraiser.** For the past five years the Association has used a golf tournament in the Dallas-Fort Worth area to raise scholarship funds for

alumni scholarships. Overwhelmingly through the effort of one of our board members we have raised over \$83K for scholarships. This has enabled us to double the size of our scholarships from \$500/semester to \$1,000.

As an Association we MUST take up where we have been led. While this gentleman has enlisted nearly 90 people a year to contribute to the scholarship fund, we need 40 alumni to commit to get 5 people each to make a contribution. Only through the multiplied effort of many of us can this good work continue.

6. **Gun Raffle:** One of our board members suggested we have a Gun Raffle to raise funds for the work of the Association. This was undertaken two years ago. Thus far it has resulted in raising \$50K to carry on the work. Another of our board members has taken up the torch and has made this an annual effort of the Association which has become a part of our budget.
7. **Mentoring Scholars:** The Scholarship has taken the responsibility of providing scholarship a step further. Each scholarship recipient also receives a mentor from the committee to help the students be successful in achieving their own education goals.

CFBRAA LEADERSHIP - 2016-17

BOARD OF DIRECTORS

David Rodgers	<i>President</i>	David Rattan	Ron Hancock
Jimmie Boatwright	<i>Vice President</i>	Michael Rogers	Chuck Farrell
Alan Dore	<i>Secretary</i>	Dean Sharp	Beverly Hall
Cam Lindsey	<i>Treasurer</i>	Daniel Scroggs	Dennis Linam
Amy Brasher	Billy Bob Touchstone	Tony Wade	Kyle Wilkinson
Sherry Finstad	Rick Hanzelka		

STANDING COMMITTEES
